Voting: ayes: 12 nays: 7 abstained:

Became a law on November 29, 2016 with the approval of the County Executive.

APPROVED AS TO FORM

Deputy County Attorney

WHEREAS, this Legislature believes that the protection of consumers is a matter of importance and recognizes its authority to improve that protection by the enactment of provisions regulating industries and services where it has been reported that abuses may be occurring; and

WHEREAS, the industries in question involve tax assessment reduction services, pet grooming and Health Club operations; and

WHEREAS, tax assessment reduction services have been regulated for some time, and it has been determined that enhanced regulation is

warranted at this time to provide further protection to the County's residents, particularly our senior citizens who are sometimes victimized by unscrupulous operators and by individuals who have little or no knowledge of the field and who enter it with little or no investment; and

WHEREAS, many residents of the County view their pets as integral parts of their family lives and the injuries these pets receive and the sickness they suffer adversely affect the residents' family lives; and

WHEREAS, many families choose to use pet groomers to maintain their pet's appearance, health, and well-being; and

WHEREAS, unfortunately, some pet groomers do not adhere to appropriate safety and sanitary practices, endangering the health and well-being of the pets placed in their care; and

WHEREAS, to ensure the safety of our pets and the well-being of their owners, it is necessary to impose licensing and other requirements upon pet groomers; and

WHEREAS, in the interest of protecting County residents who are utilizing the equipment and services provided by individuals and companies operating Health Club and similar establishments, particularly the health and wellness of those residents, it is necessary to impose licensing and other requirements upon the operators of Health Clubs and similar establishments;

now, therefore

BE IT ENACTED by the County Legislature of the County of Nassau

1. Such funds shall be kept and maintained in an account separate and apart from any account maintained by or for the seller's personal use or for use in the construction or operation of the Health Club or for the payment or benefit of employees of the seller.
2. The escrow account shall be established in a bank or trust company doing business in this state.
3. The escrow account shall provide that the purpose of the account is to protect the consumer in the event that the seller fails to complete substantially and to open the facility within one year following establishment of the account. Any buyer who has advanced moneys on deposit in the escrow account may maintain a representative action pursuant to the provisions of the civil practice law and rules to close the account and to release such moneys pro-rata to all buyers similarly situated if such Health Club facility has not been substantially completed and opened within one year of establishment of the account or if the buyer has not had the full

use of another similar facility during this period.

4. Within three business days of a request therefor, a monthly statement of the escrow account is to be furnished to consumers who have advanced funds or obligation until such account is no longer required by this Title.

5. The escrow account shall provide that funds deposited therein may be withdrawn by the seller upon the completion of the proposed construction in the following manner: (i) one-third of the funds may be distributed to the seller upon completion of one-half of the proposed construction; (ii) not more than two-thirds of the funds which have been deposited in escrow may be released upon the completion of three-fourths of the proposed construction; (iii) the escrow agent may accept as evidence of partial completion certification of any architect or engineer licensed pursuant to the provisions of the education law that the proposed construction has been completed in accordance with the plans and specifications.

6. The escrow account shall be released by the escrow agent to the seller not more than thirty days following full operation of the facility and certification of completion from any architect or engineer licensed pursuant to the provisions of the education law.

7. In lieu of the escrow provisions required by this section, the Health Club may furnish information as required by the secretary, executed under penalty

of perjury by an officer or owner of the Health Club which reasonably demonstrates financial responsibility that will enable the Health Club to satisfy the possible claims against the escrow required by this section. In the event the Health Club is controlled by, under common control, or controls another corporation and the other corporation agrees in writing to satisfy the claims against the escrow required by this section, then the financial responsibility of the other corporation shall be considered in determining the applicability of this section. In determining whether the Health Club has the requisite financial responsibility the secretary may consider the operating and business history and reputation of the Health Club and its management within and without the state as well as the operating and business history and reputation of any business controlled by, under common control with, or controlling the Health Club.

§21-32.3 Bond , Letter of Credit or Certificate of Deposit Required

1. Every Health Club, except as provided in subdivision ten of this section, before it enters into any contract for services for use by a buyer of a Health Club, shall file and at all times maintain with the secretary, in form, amount as prescribed herein and substance satisfactory to him:

2. The principal sum of the bond, letter of credit, or certificate of deposit shall be;

(a) Fifty thousand dollars if the Health Club sells contracts for services for a term not greater than twelve months; or

(b) Seventy-five thousand dollars if the Health Club sells contracts for services for a term more than twelve months and up to twenty-four months; or

(a) For three to four locations an additional fifty thousand dollars,

(b) For five to six locations an additional one hundred thousand dollars,

(c) For seven to nine locations an additional one hundred fifty thousand dollars,

(d) For ten or more locations an additional two hundred thousand dollars.

4. The bond, letter of credit or certificate of deposit shall be payable in favor of the people of the state of New York for the benefit of any buyer injured in the event that the seller goes out of business prior to the expiration of the buyer's contract for services, or otherwise fails to provide a refund to the buyer after cancellation of the buyer's contract for services as provided for in section 21-32.5 of this Administrative Code.

5. The aggregate liability of the surety upon the bond or the banking organization upon the letter of credit or certificate of deposit to all persons for all breaches of the conditions of the bond shall in no event exceed the amount of the bond, letter of credit or certificate of deposit.

6. The bond, letter of credit or certificate of deposit filed and maintained pursuant to this section shall not be cancelled, revoked, or terminated except after notice to, and with the consent of, the secretary at least forty-five days in advance of such cancellation, revocation, or termination.

7. Any person claiming against the bond, letter of credit or certificate of deposit may bring and maintain an action against the seller and the surety or

bank, trust company, savings bank or savings and loan association.

8. For the purposes of this section, a Health Club shall be considered to be a new Health Club subject to the requirements of a bond, letter of credit or certificate of deposit as provided herein, at the time the Health Club changes ownership, or, in the case of corporate ownership, at the time thirty percent or more of the stock changes or has changed ownership. A change in ownership of a Health Club shall not release, cancel or terminate liability under this section under any bond, letter of credit or certificate of deposit filed for a Health Club as to any buyer who purchases a Health Club contract while such bond, letter of credit or certificate of deposit is in effect unless the transferee, purchaser, successor, or assignee of such Health Club obtains a bond, letter of credit or certificate of deposit under this section for the benefit of such buyer.

9. No contract for services shall be enforceable against the buyer if the seller has failed to comply with any requirements of this section.

10. Health Clubs shall be excluded from the requirement to file a bond, letter of credit, or certificate of deposit if all payments for which the buyer is obligated including, but not limited to down payments, initiation fees, enrollment fees, membership fees or any other direct payments to the Health Club do not exceed one hundred fifty dollars. A Health Club shall also be

excluded from the requirement to file a bond, letter of credit or certificate of deposit, if it offers its buyers a monthly dues payment option for each dues payment plan it offers to customers, provided that: (a) both the annual and the monthly membership options are disclosed to customers prior to entering into any membership contract; (b) that the monthly dues, including any initiation fee or other charge, do not exceed one hundred fifty dollars; (c) that the paid in full fee is not discounted by more than ten percent of the sum of the initiation fee and the monthly dues payments; and (d) that the term of either option be no more than twelve months and that the membership contract not contain an automatic renewal provision. Additionally, any Health Club which owns five or more acres of real property which is used directly for the purpose for which the Club is formed, and any Health Club the use of which is exclusively restricted to residents of a homeowners' association, cooperative or condominium and which is owned by and operated on the premises of such homeowners' association, cooperative or condominium, shall be excluded from the requirement to file a bond, letter of credit or certificate of deposit.

11. (a) Every Health Club shall post, in at least two conspicuous areas within the Club, including, if applicable, an entrance area where buyers are required to register, a sign no smaller than nine inches by fourteen inches that sets

forth the following notice clearly and conspicuously:

IMPORTANT NOTICE FOR HEALTH CLUB MEMBERS

New York State law requires certain Health Clubs to have a bond or other form of financial security to protect members in the event the Club closes.

This Club (insert whichever term is applicable)

has posted the financial security required by law.

or

is exempt from this requirement.

YOU MAY ASK A REPRESENTATIVE OF THE CLUB FOR PROOF OF THE CLUB'S COMPLIANCE WITH THIS LAW. YOU MAY ALSO OBTAIN THIS INFORMATION FROM THE NEW YORK STATE DEPARTMENT OF STATE, DIVISION OF LICENSING SERVICES, 162 WASHINGTON AVENUE, ALBANY, N.Y. 12231.

(b) Health Clubs that operate at two or more locations shall post notices in compliance with paragraph (a) of this subdivision at each such location.

12. The notice required by subdivision eleven of this section shall be incorporated into any contract for services executed by a Health Club in at least ten point bold type.

13. Every contract for services which offers the consumer the option to pay in installments shall contain the following notice, written in at least ten point

bold type and placed directly above the space reserved for the signature of the buyer:

**THIS NOTICE PROVIDES IMPORTANT INFORMATION ABOUT
YOUR PAYMENT OPTIONS**

You may make payments on an installment basis or in a single payment.

Paying the full amount may be less expensive, but may involve financial risks to you. Read this notice carefully before making a decision.

New York State law requires certain Health Clubs to post a bond or other financial security to protect members in the event the Club closes. This Club is exempt from this requirement since it gives members the option of paying on an installment basis, therefore it need not post a bond or other form of financial security.

In deciding whether to make your payments on an installment basis, you should be aware that if the Club closes, although the Club will remain legally liable for a refund, you may risk losing your money if the Club is unable to meet its financial obligations to members.

§21-32.4 Contract Restrictions

1. No contract for services shall require payment by the person receiving service or the use of the facilities of a total amount in excess of three

thousand six hundred dollars per annum, provided, however, that this subdivision shall not apply to contracts relating solely to the use of tennis, platform tennis or racquet ball facilities.

2. No contract for services shall provide for a term longer than thirty-six months. No contract for services shall require payments or financing by the buyer over a period in excess of thirty-seven months from the date the contract is entered into, nor shall the term of any such contract be measured by or be for the life of the buyer. Provided, however, that the services to be rendered to the buyer under the contract may extend over a period not to exceed three years from the date the contract is entered into with the right to renew, at the option of the buyer for a like period. The buyer may have thirty days after the expiration to renew the contract. The installment payments shall be in substantially equal amounts exclusive of the down payment and shall be required to be made at substantially equal intervals, not to exceed one month.

3. No contract for services may contain any provisions whereby the buyer agrees not to assert against the seller or any assignee or transferee of the Health Club services contract any claim or defense arising out of the Health Club services contract.

4. No contract for services may require the buyer to execute a promissory

note or series of promissory notes which, when negotiated, cuts off as to third parties a defense which the buyer may have against the seller.

2. Every contract for services shall provide that such contract may be cancelled within three business days after the date of receipt by the buyer of a copy of the written contract. Notice of cancellation shall be delivered by certified or registered United States mail at the address specified in the contract. Such contract shall contain the following written notice in at least ten point bold type: CONSUMERS RIGHT TO CANCELLATION. 3. Every contract for services shall provide that after such three day period for cancellation as provided in subdivision two of this section, the buyer's estate may cancel a contract for services if the buyer dies. The buyer may also cancel after three days if the buyer becomes significantly physically disabled for a period in excess of six months, or moves his residence to a location more than twenty-five miles from a Health Club operated by the seller, or after the services are no longer available or substantially available as provided in the contract because of the seller's permanent discontinuance of operation or substantial change in operation. Nothing contained herein shall restrict or prohibit the seller from offering or providing in such contract additional or broader reasons for cancellation. The seller may require reasonable evidence for a cancellation pursuant to this subdivision. Such

contract shall contain the following notice captioned in at least ten point bold type:

ADDITIONAL RIGHTS TO CANCELLATION:

You may also cancel this contract for any of the following reasons:

If upon a doctor's order, you cannot physically receive the services because of significant physical disability for a period in excess of six months.

If you die, your estate shall be relieved of any further obligation for payment under the contract not then due and owing.

If you move your residence more than twenty-five miles from any Health Club operated by seller.

In no instance shall the seller demand more than the full contract price from the buyer. If the buyer has executed any credit or loan agreement to pay for all or part of Health

Club services, any such negotiable instrument executed by the buyer shall also be returned within fifteen days.

Administrative Code shall fail to honor the consumer's right of cancellation as provided in this Title.

2. No creditor holding a note or other obligation, to which a consumer has obligated himself in order to purchase a contract shall fail to honor the consumer's right of cancellation under this Title if:

(a) the creditor is a person related to the seller of services; or

(b) the seller prepares documents used in connection with the loan; or

(c) the creditor supplies forms to the seller used by the consumer in obtaining the loan; or

(d) the creditor makes twenty or more loans in any calendar year, the proceeds of which are used in transactions with the same seller or with a person related to the same seller; or

(f) the creditor, directly or indirectly, pays the seller any consideration

whether or not it is in connection with the particular transactions; or

The notice shall be served by registered or certified mail and shall state the date and place of hearing and set forth the ground or grounds constituting the charges against the licensee.
