3. List below amounts for any compensation paid or owed to the lobbyist during the period for the purposes of lobbying. Such amounts shall be detailed as to amount, to whom paid and for what purpose. (NOTE: The individuals and entity referred to in this report lobby both the State and the County. The Lobbyist Registration Form filed with the State reflects that. However, question 9 of this

form refers to "lobbying activity conducted, or to be conducted, in Nassau County." I am, therefore, making the assumption that the amounts referred to in question 3 also relate to lobbying activities conducted in Nassau County. I am making the further reasonable assumption that the College employees' lobbying activities are split evenly between the County and the State.
