**Re: Notice of Curb Side Tree Removal for Woodbury Road**

Dear Property Owner:

This letter is a courtesy notification that a curb side tree (or trees) in the County Right of Way adjacent to your property is scheduled for removal as part of an ongoing road resurfacing project on Woodbury Road.

The removal of these trees has been carefully considered by knowledgeable County personnel and only trees that are decidedly damaged or otherwise interfering directly with necessary reconstruction of the curb and roadway have been selected for removal.

The tree removals should occur within the next two weeks. If you have any questions regarding this notice, please contact our resident engineer Kevin Mansfield at (516) 313-2754.

Very truly yours,

**Civil/Site Construction Management Unit**
