RE: Military Service Credit

To All Employees:

On Monday, March 25, 2019, at the Nassau County Legislative hearing, legislation was passed to credit up to 3 years of military service accepted under the New York State Retirement and Social Security Law. Such military service would be credited towards years of service with the County for retirement health benefits.

The events that qualify for credited military service are defined as:

Disabled Veteran
Veteran
Not indicated
No Military Service
Active Reserve
Inactive Reserve
Retired Military
Not a Veteran

If you believe that you are eligible for this credit, please submit the attached form, along with a copy of the below military document(s), to your departmental Human Resources division by Friday, April 5, 2019.

- Active military service; or
- "Report of Separation" papers; or
- NYS Pension statement that includes your credited military service

If you should have any additional questions, please contact the Office of Human Resources at (516)571-3072.

Sincerely,

A handwritten signature in black ink, appearing to read "Kerrin J. Huber".
