

COUNTY OF NASSAU

APPLICATION TO DEREGISTER AS A LOBBYIST

The Nassau County Attorney's Office has determined that in certain situations it should be permissible for persons or organizations to retroactively deregister as lobbyists if, during a particular year, those persons or organizations did not engage in any lobbying activities as defined by Local Law 2-2015. Pursuant to the Nassau County Charter § 1120 the County Attorney's Office has created this application to deregister as a lobbyist. The Nassau County Attorney's Office will deregister an applicant if this application is properly completed, no lobbying activities were performed by the applicant, and there are no compelling reasons not to deregister the applicant.

Please take note that even if an application is granted the applicant's registration and disclosure forms will still be maintained on Nassau County's website where the Completed Lobbyist Disclosure Forms are located. The registration and disclosure forms will be moved to a section which indicates that those persons or organizations did not participate in lobbying activities during a certain year.
