WHEREAS, Nassau county's authority to establish a local government assistance program for the County of Nassau has been extended by Chapter 246 of the Laws of 2011; now, therefore,

BE IT ENACTED, by the County Legislature of the County of Nassau, as follows:

Section 1. Subdivision d of section 2 of Local Law No. 18-1984, as last amended by Local Law No. 23-2009 and as incorporated in chapter 4 of title 9 of the Miscellaneous Laws of Nassau County, is amended to read as follows:

Section 2.d. Aid to villages in Nassau county.

For the calendar years beginning January first, two thousand one and continuing through the calendar year beginning on January first, two thousand thirteen, the county hereby establishes a local government assistance program for the villages within the county pursuant to section twelve hundred sixty two-e of the New York Tax Law to assist such villages to minimize real property taxes; defray the cost and expense of the treatment, collection, management, disposal, and transportation of municipal solid waste; and defray the cost of maintaining conservation and environmental control programs. Such program shall be funded in the amount of one million two hundred fifty thousand dollars in the calendar year beginning on January first, two thousand twelve, and one million two hundred fifty thousand dollars in the calendar year beginning on January first, two thousand thirteen, from the net collections from the county's additional three-quarter percent rate of sales and compensating use taxes during that calendar year, which amount shall be paid and distributed to such villages on a per capita basis using the populations figures in the latest decennial federal census. The establishment of this village local government assistance program shall preclude any village in the county from preempting or claiming under any other section of the New York Tax Law any revenues derived from the county's additional rates of sales and compensating use taxes imposed pursuant to the authority of section 1210 of the New York Tax Law.

§ 2. It is hereby determined, pursuant to the provisions of the State Environmental Quality Review Act, 8 N.Y.E.C.L. section 0101 et seq. and its implementing regulations, Part 617 of 6 N.Y.C.R.R., and Section 1611 of the County Government Law of Nassau County, that the imposition of an additional sales and compensating use tax pursuant to Tax Law section 1210 and the distribution of revenue pursuant to Tax Law section 1262-e are "Type II" Actions within the meaning of Section 617.5(c)(20) of 6 N.Y.C.R.R. ("routine or continuing agency administration and management, not including new programs or major reordering of priorities

that may affect the environment”), and, accordingly, are of a class of actions which do not have a significant effect on the environment; and no further review is required.

§ 3. This local law shall take effect immediately.
