**Re: City & State Lobbying Retainer**

Dear Ms. Hassler:

This letter shall serve as a formal retainer agreement between SCO Family of Services (SCO) and Davidoff Hutcher & Citron, LLP (DHC) for DHC to provide government relations and lobbying services for SCO. Specifically, DHC will represent SCO before the State of New York and the City of New York.

The term of this agreement shall be August 1, 2021 up to and including December 31, 2021. For its professional services DHC shall be paid \$6,500 per month for the remainder of this retainer. All payments are pre-paid in full by the 1st of each month. Expenses and disbursements related to our representation will be billed separately. SCO Family of Services shall be responsible for all annual lobbying registration fees with all municipalities. Please note this retainer agreement becomes effective when both parties have executed said agreement. Either party to this retainer agreement may cancel said agreement at any time upon giving 30 days written notice to the other party.

SCO acknowledges that no one from DHC has made any representations as to the likelihood of success regarding matters undertaken under this retainer. It is further acknowledged that fees payable to DHC cannot be and are not contingent upon the favorable actions of any government official, the adoption of any law, rule or regulation or the granting of any license or permit. SCO understands that this agreement does not include the provision of other legal services such as litigation, the appearance in matters before a judge or regulatory hearing officer, transactional matters, and formal rule making proceedings. Any legal services provided by the firm will be billed under a separate retainer agreement.

The State of New York has recently adopted a Fee Dispute Resolution Program that provides for informal and expeditious resolution of fee disputes between attorneys and clients. Among other things, that program permits a client under some circumstances to demand that a fee disputed be arbitrated. We will provide the necessary information concerning this program in the event of a dispute concerning our fee, or at your request.

Pursuant to the provisions of the New York City Administrative Code ("Administrative Code") and the laws of the State of New York ("State Laws"), certain of the tasks to be undertaken by the firm pursuant to this retainer agreement may be deemed to be "lobbying activities" and require registration with, respectively the New York City Clerk and the New York State Joint Commission On Public Ethics. The lobbying laws also require the periodic reporting of lobbying activities as well as the

compensation received and expenses incurred in connection with such activities. The law also requires that you, as the client, shall file an annual report concerning the fees and expenses paid to the firm. To the extent registration is required you agree to fully cooperate with respect to all requirements of the Administrative Code and the State Laws as set forth below.

Once our engagement under this retainer agreement is registered with the City and State, you are required by law to file an annual report with New York City Clerk online as well as bi-annual and annual reports with the New York State Joint Commission on Public Ethics, even if the matter is terminated during the year. These reports will include the details of the fees and disbursements paid to our firm under this retainer agreement. Your failure to comply with these reporting requirements could subject you to liability for civil or criminal penalties. We will assist you with this process and, in the interim, would be pleased to answer any questions you may have regarding the City and State lobbyist registration requirements.

In order for us to file this 2021 retainer agreement in a timely fashion with the New York State Joint Commission on Public Ethics and the New York City Clerk, we ask that you sign and return a copy to us via email or regular mail.

Thank you.

Sincerely,

---

Sean Crowley

In addition, legal services are not included in this retainer. Any legal services provided by DHC will be billed under a separate, formal legal retainer agreement.

The State of New York has recently adopted a Fee Dispute Resolution Program that provides for informal and expeditious resolution of fee disputes between attorneys and clients. Among other things, that program permits a client under some circumstances to demand that a fee disputed be arbitrated. We will provide the necessary information concerning this program in the event of a dispute concerning our fee, or at your request.

Once our engagement under this retainer agreement is registered with the State, you are required by law to file bi-annual and annual reports with the New York State Joint Commission on Public Ethics, even if the matter is terminated during the year. These reports will include the details of the fees and disbursements paid to our firm under this retainer agreement. Your failure to comply with these reporting requirements could subject you to liability for civil or criminal penalties. We will assist you with this process and, in the interim, would be pleased to answer any questions you may have regarding the State lobbyist registration requirements.

In order for us to file this retainer agreement in a timely fashion with the New York State Joint Commission on Public Ethics, we ask that you sign and return a copy to us via email or regular mail.

Thank you.

Sincerely,

Steve Malito
