BRUCE A. BLAKEMAN
Nassau County Executive

TYPES OF VETERANS' EXEMPTIONS

Alternative

Veterans who served during wartime or have received an expeditionary medal

Eligible Funds

Cold War

WHAT TAX BENEFITS ARE GRANTED?

In general, qualifying applicants will see the county and town portion of the property tax bill reduced. School taxes may also be reduced only in school districts that have opted to offer the reduction.

Eligible Funds recipients must file for the Alternative Veterans' Exemption to receive a partial school tax reduction; Cold War veterans also qualify for this ben-efit.

NONE of the veterans' exemptions apply to special district taxes or special assessments.

Veterans who reside in incorporated villages or in the City of Glen Cove or Long Beach should contact their municipal clerk or local assessor to check on the availability of a property tax reduction at the local level.

Per NYS Dept. of Taxation & Finance Vol. 8, Opinions of Counsel SBEA No. 37 – "Reservists engaged in Active Duty for training" are NOT eligible for a Veterans Exemption.

WHO IS ELIGIBLE?

The legal title of the property must be in the name of the:

- Veteran, Spouse, or both, or
- Unremarried Surviving Spouse, or
- Gold Star Parent

A Gold Star Parent is a parent of a child who died in the line of duty while serving in the Armed Forces during a period of war. Under certain circumstances, the exemption also may be allowed where title is in the name of the dependent parent of the veteran or his or her child who is under 21 years of age.

The ownership requirement will be met if the veteran, spouse, unremarried surviving spouse, or Gold Star parent is a Life Estate holder in the trust or is the life tenant of the property.

Alternative and Cold War Veterans' Exemptions are only applied to the "owner-occupied" residence of the veteran.

HOW ARE BENEFITS CALCULATED?

Alternative

The exemption reduces the assessed value of your primary residence before the tax rate is applied. There are three levels of benefits:

- 15% of assessed value for non-combat veterans who served during a period of war.
- Additional 10% for combat veterans who served in a combat zone.
- Additional benefit for disabled veterans (equal to one-half of their VA combined service-connected disability rating).

Eligible Funds

The amount of the exemption is equal to the amount of eligible funds (i.e.: mustering out pay, military pensions, etc.) used to purchase the property. The exemption can be increased if the applicant receives additional funds and reinvests those funds into the property.

Cold War

The exemption reduces the assessed value of your primary residence before the tax rate is applied. There are two levels of benefits:

- 15 percent of the assessed value or current Nassau County cap of \$135, depending on whichever is lower.
- Additional benefit to disabled veterans (equal to one-half of their VA combined service-connected disability).

*You can only receive one exemption at a time. However, if you co-own the property with another qualified veteran, each of your exemptions can be combined. The exemption amounts **cannot** exceed the Assessed Value of the property.*

Exemption Applications for the 2025-26 Property Tax Year must be received by JANUARY 2, 2025
