**FLIP
FOR
PARTY
THEMES**

OUR PARTY THEMES

NATURE PARTY THEMES

ALL ABOUT BIRDS (Ages 5-12)

With binoculars in hand, children will explore our nature preserve in search of our favorite feathered friends! Customized coloring booklets available upon request.

BEACH EXPLORATION (Ages 5-12)

Explore the shoreline for snails, crabs, shells and more! Discover the life of the intertidal zone, use a hand lens, and how to use a simple key for the identification of sea creatures. Must be scheduled during low tide. Sneakers recommended!

I-SPY NATURE HUNT (Ages 5-12)

Explore the outdoors like never before! Children will partake in an outdoor I-SPY scavenger hunt and get up close and personal with the curiosities of the natural world!

INVESTIGATING INSECTS & SPIDERS

(Ages 5-12)

Kids are born explorers! Discover the varied beetles, butterflies, spiders & more of our meadow & gardens! Children will get to use bug catchers & jars, magnifiers, insect ID sheets, and will learn proper use of an insect net! **Indoor Insect Discovery option available if inclement weather. Offered Spring-Fall.

POND PROWL (Ages 5-12)

Dip into the world of the pond! Children will investigate the community of life in one of the ponds on the preserve. They will learn the proper use of a dip net, magnifiers, and how to use a simple key for the identification of pond creatures. Sneakers recommended!

TRACK TREKKERS (Ages 5-12)

Step into the world of tracking! Look & learn familiar animal tracks, search for animal evidence, how they vary from snow, mud, sand, and create your own track cast!

All Nature Themes:

Non-member: \$375 • Family-Plus Member: \$325

DISCOVERY PARTY THEMES

DISCOVERING DINOSAURS

(Ages 4-10)

Explore the world of dinosaurs! Learn about plant vs. meat eaters, teeth & claws, all about fossils & more! *Children will make and take home their own "fossil" using self-hardening clay. Personalized age-appropriate coloring booklet available upon request!

Non-member: \$400 • Family-Plus Member: \$350

EXPLORING NATIVE AMERICAN POTTERY

(Ages 5-11)

Children will learn about Native American culture and partake in hands-on exploration of pottery and the making of pottery using traditional Native American methods. Children will make a pottery vessel to take home!

Non-member: \$400 • Family-Plus Member: \$350

ROCKS, MINERALS, GEMS & JEWELS

(Ages 7-12)

Hands-on investigation of scientific tests for color of streak, luster, and hardness on variety of minerals. Discover fluorescence and double refraction! NEW! Mine & sift rocks and minerals from our Rock Discovery Table! Kids will receive Garvies Point Museum Gem Mining drawstring pouch to fill with their treasures to take home!

Non-member: \$425 • Family-Plus Member: \$375

TOOLS, GAMES & LEGENDS

(Ages 6-11)

Children will discover and handle prehistoric tools and artifacts and use replicated tools to grind corn, drill holes in stone and make fire (smoke) using a fire drill. NEW! Children will learn and play authentic Native American games from across the country while enjoying traditional Native American legends!

Non-member: \$375 • Family-Plus Member: \$325

Parties available Saturdays - Closed Sundays

11:00am-1:00pm and 2:00pm-4:00pm
