To whom it may concern,

I am a resident of South Hempstead NY and have recently been informed of impending redistricting in my community. I am curious why you would choose to split up my district into 3? We are a tight knit community and would like one strong voice when we need to communicate with our government. I ask that you reconsider this and do not split up our community. This is a very bad decision and I strongly condemn it.

Thank you

Erica Lam
